We consider the amount due and owing delinquent if not completely paid within thirty (30) days (or other agreed terms) from the first applicable invoice date.

A service charge of one and one half percent (1½%) per month, which is an annual rate of eighteen percent (18%), will be applied to delinquent balances.

WeHoP's Terms of Business

The customer agrees to the following terms by ordering from WeHoP:

All new accounts are subject to cash before order is placed or until credit is approved. We encourage open accounts, and once the credit application is completed and approved, the terms are:

- LINER accounts are Net 30 days from delivery with approved credit, unless otherwise negotiated.
- SPECIALTY PRODUCTS accounts are Net 15 days from delivery with approved credit, unless otherwise negotiated.
- Accounts that are overdue will be subject to a finance charge of 1.5% per month or the maximum allowable by law.
 - New accounts are subject to suspension of credit terms and returned to cash basis terms if delinquent in the first year.
- We reserve the right to suspend credit, and delay or cancel pending orders if terms are not met.

We realize that some customers prefer cash or credit card transactions; we welcome these accounts with the following conditions:

- A. Payment must be received prior to WeHoP placing orders with vendors
- B. Shipping costs will be estimated to the best of our ability when the order is taken, but given the unstable environment regarding fuel prices we cannot guarantee that cost for shipping will be accurate. In the event that WeHoP has overestimated shipping charge there will be an immediate credit issued to customer or an invoice on amount owing.
