**must be reported within 5 working days of delivery accompanied by photos of each affected tray with barcode label visible and a group photo of all affected trays if there is more than one tray. Claims involving viruses, diseases, or plant performance issues require the customer to send a sample plant in its growing container to a professional lab or to HardyStarts for testing. HardyStarts does not offer a guaranteed program. HardyStarts is not responsible for issues beyond its control such as flowering time, customer crop time, or customer losses. Failure to report problems within the specified time limits could jeopardize any related claims. Liability for breach of warranty or contract is with the customer. Any decrease in quantity must be made no later than 10 weeks prior to the ship date or 5 weeks prior to sticking cuttings. If any order is cancelled or decreased in quantity, it is the responsibility of the broker to resell. If the broker wishes to reserve these amounts, they must place a new order.**

**Multi-liner trays:** Due to the nature of the product, it may happen that up to 10% of the liners may be delivered with 2 cuttings per cell. This was considered in the price calculation and is within our product specs for this product line.
